

A NATIONWIDE INITIATIVE TO SPREAD KNOWLEDGE ON FINANCIAL MARKETS

POSTGRADUATE DIPLOMA IN FINANCIAL MARKETS PRACTICE

Introduction

Financial markets are of great significance for the Indian economy. The growth of the financial markets has been remarkable in India following the liberalization of economy and finance. India has established extensive infrastructure that made it to emerge as one of the leading nations with financial sector development and rapidly growing markets in equities, commodities, currencies, debt, banking and insurance.

The Programme

Developed collaboratively by School of Management Studies, IGNOU and FTKMC, this unique and cost-effective distance learning programme has its focus and thrust on equipping the participants with practice perspectives on financial markets. The programme uses standard IGNOU multimedia design and technology-aided delivery systems. IGNOU announces admissions to the PGDFMP programme for the session starting January 2010.
